SParties Mobile Spa Parties Accepts All Competitors Gift Certificates,

-- Now you can spa wherever you want, regardless of where the gift was purchased! --

Deerfield Beach, FL & Hoboken, NJ – April 19, 2007 – SParties Mobile Spa Parties, the original onsite spa service provider, announced today that are now honoring gift certificates from any local competitor's spa for comparable services, merchandise or dollar amounts.

"Our clients love the idea of the spa coming right to their location, but all too often they receive gift certificates for spa services at area spas and have trouble finding spare time to use the gift," said Janet Rotella, SParties owner and founder. "To bring the spa service to their home or other desired location at a time and day of their choosing, we're implementing a new Gift Certificate Exchange Program and accepting our competitor's gift certificate for the same service."

According to Rotella, "with Mother's Day and the bridal season quickly approaching, SParties new Gift Certificate Exchange Program provides a unique and convenient option for all those who love to spa. And, since everyone loves to SParty, the recipients now have the option to have services, robes, slippers and brought directly to them!"

SParties also has their own gift certificates available for any service, package, merchandise or dollar amount, along with a variety of pre-designed gift bag packages for clients to choose from. All items can be found on their web site at www.sparties.com (See Simple Services & Gifts) or customers can design their own by choosing any service from their spa menu (<http://www.sparties.com/spaservicesmenu.html>) and/or merchandise from the retail shop (<http://www.sparties.com/spartiesretailshop.html>).
